**Approval of above selections requested.** Provide justification/explanation of the requested action:

The Agency Funding Agreement (FA) between SFWMD, Florida Department of Transportation (FDOT), and Federal Highway Administration (FHWA), which became effective May 15, 2007, which was subsequently amended to remove FHWA, is requesting a No-Cost Time Extension until December 31, 2020.

This is a "no-cost" extension; therefore, no additional funds are necessary to support the services performed under this agreement modification. This amendment intends to allow additional time to complete negotiations of the new agreement and allow SFWMD to continue participating in the Environmental Transportation Decision Making (ETDM) process, providing expedited reviews and technical assistance to the Department through December 31, 2020.

**Article II Paragraph C**, which authorizes reimbursement to SFWMD for a five (5) year term, is amended to authorize reimbursement to SFWMD for a thirteen (13) year, eight (8) month term through December 31, 2020.

**Article V Project Officers, (C)** is amended to read:
