Approval of above selections requested. Provide justification/explanation of the requested action: The Agency Operating and Funding Agreement (AOFA) between SWFWMD, Florida Department of Transportation (FDOT), and Federal Highway Administration (FHWA), which became effective June 1, 2015, which was subsequently amended to remove FHWA, is requesting a No-Cost Time Extension until June 30, 2021.				
Section 9 Financial Statement , which authorizes reimbursement to SWFWMD for a five (5) year term, is amended to read: A. FDOT shall provide SWFWMD, subject to appropriation and the payment provisions enumerated below (Section 9, items C and E), an annual allocation of \$200,000.00 and a total sum of \$1,000,000.00 according to the schedule shown in Appendix C, attached and incorporated herein, ending on, June 30, 2021, or six (6) years one (1) month from the date of all parties signatures, whichever comes later. This sum is based upon the parties' best estimate of the minimum funding required by SWFWMD to participate in the ETDM Process. If it becomes apparent that there is incongruence between the funding amount established in this AOFA and the review services requested to be performed, the parties agree in good faith to renegotiate the level of funding and service or prioritize project reviews.				
Section 10 Period of Performance and Evaluation , is amended to read: A. The term of this AOFA shall commence upon signature or June 1, 2015, whichever comes later and end on June 30, 2021, or six (6) years one (1) month from date of signature, whichever comes later, unless terminated sooner in accordance with Section 10(B) below. The payment for associated work shall be inclusive of all work performed and expenses incurred up to and including the date of expiration or termination.				
"I certify that the above requested action is necessary for the operation of this project and is in compliance with the terms of the executed agreement."
