

Addendum D

Overhead Statement

The ETAT agency shall budget for any overhead items necessary and deemed normal and reasonable for funded positions to complete tasks associated with the ETDM process. Examples include salary related associated benefits, equipment, supplies, office space, training and travel expenses. Any items needed outside the normal overhead expenditures may be considered Tangible Personal Property under Chapter 273, F.S. and Rule 60A-1.107, FAC and may be subject to those conditions. Upon completion of services or the end of the agreement, which ever comes first, any Tangible Personal Property will become the property of FDOT and be transferred to and controlled by FDOT. In all cases involving the purchase of Tangible Personal Property for this program the Vendor shall consult and coordinate with the FDOT Project Manager and the Technology Manager in the Central Environmental Management Office.
